*Borough of New Stanton Council Meeting  
April 19, 2007*

**Reports**

Councilman Bartlow said CWCTC will paint the sign. They will take it ASAP because we only have five weeks of school left.

Councilman Quinn said about the maintenance building; Tim said he would like to have some specifications. He has a pretty good idea of what that building costs and I thought that was a good size. Councilman Bussard said I have the drawings and I will get them to you.

Councilman Bussard said that Emil is going to bring to the next meeting on our salt bin a canvas rounded roof that he is going to present. We had a meeting on the road where we are having trouble with the turnaround but one of the things that we have to discuss is with the owner and if the owner doesn't agree to anything we can forget it.

Councilman Quinn said I spoke to the Sewage Authority about Broadview Road and they said to get a petition together of all those who want it and take it to them. It is still going to be expensive. Council President said once you start it in motion, at least you should be able to get a price of what it is going to cost. There was more discussion about getting sewage on Broadview Road.
