

Hello, I am Gary Tolla, the owner and Chef of Tolla's Italian Deli and Café. I am a native of Connecticut and wanted to bring my style of cooking to Winter Park Florida. I have many years of experience working with large companies such as the Marriott Hotel which gave me the opportunity to prepare a wide variety of cuisines. I also was a teacher, working with the visually impaired. I taught these individuals how to prepare meals and run a full service restaurant. I enjoy working with food and my favorite style of cooking is Italian. I am of Italian descent and was raised with authentic Italian cooking. Many of the food that you will enjoy comes from family recipes. I hope you enjoy my cooking as much as I do!!!
